

## S.C. Tobacco Quitline 1-800-QUIT-NOW Participant Eligibility

### TOBACCO COUNSELING (with a Quit Coach)

Each coaching call is customized to the individual's needs and preferences. Participants are offered the treatment program that can give them the best outcome. If a caller only wants one call with a Quit Coach, we will honor this.

	Single Call 1 session	Multi-Call 5 sessions (C-5)	Youth Support Program <sup>^</sup> 5 sessions (C-5)	Behavioral Health <sup>^</sup> Native American <sup>^</sup> 7 sessions (C-7)	Pregnant/ Postpartum <sup>^</sup> 10 sessions (C-10)

\* Underinsured: defined as having a commercial health plan benefit that does not cover all 7 FDA approved medications for tobacco cessation.  
<sup>^</sup> Medicaid participants are sent a 2-week starter kit of NRT, then must see their Medicaid provider for continued medication that is covered by SC Healthy Connections Medicaid with no copay or out-of-pocket expense, and without prior authorization for their provider.  
<sup>+</sup> Participant does not have to be enrolled in counseling if they choose to receive just a 2-week starter kit of NRT through the Individual Services Program. If they need more NRT, they must enroll in counseling to receive a full 12-week supply.

### ADDITIONAL INFORMATION ON MEDICATION

Eligibility Criteria	Weeks Per Quit Attempt	Limit Per Year	Combo Therapy Note
All Eligible Callers (based on eligibility criteria listed above)	12 weeks in 4x4x4 shipments	Typically, 4 rounds of 12- wk dosing per quit attempt.	Participants also offered combination therapy of patch/gum or patch/lozenge.
